

Extensive choice, versatility and functional elegance are just three benefits of the Elements Collection.

Elements

Elements reinvents the look, feel and function of wiring devices with a fresh perspective as an integral and interactive art form, making it an epitome of exquisite beauty. The range leverages the aesthetics of any space, with timeless materials, textures inspired from fine art and previously unreachable levels of attention to detail. While designed with striking looks, the Elements range is also engineered to enhance the user experience. The functional aspects of the products are engineered to surprise the user with charm, intuitiveness and ease of use.

Like everything Honeywell does, it's beautifully simple... and simply beautiful.
